**Treasure Island** Robert Louis Stevenson

**Treasure Island** is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold".

Traditionally considered a coming-of-age story, *Treasure Island* is a tale noted for its atmosphere, characters and action, and also as a wry commentary on the ambiguity of morality – as seen in Long John Silver – unusual for children's literature. It is one of the most frequently dramatized of all novels. The influence of *Treasure Island* on popular perceptions of pirates is enormous, including such elements as treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders.
