The Call of the Wild and White Fang Jack London

The Call Of The Wild is the story of Buck, a dog stolen from his home and thrust into the merciless life of the Arctic north to endure hardship, bitter cold, and the savage lawlessness of man and beast. *White Fang* is the adventure of an animal -- part dog, part wolf -- turned vicious by cruel abuse, then transformed by the patience and affection of one man.

Jack London's superb ability as a storyteller and his uncanny understanding of animal and human natures give these tales a striking vitality and power, and have earned him a reputation as a distinguished American writer.
