*Dandelion Dreams* is a poignant tale about love and loss, and the strange workings of fate.

Kai Ferris, a tormented man with a complicated past, leaves his home and travels the world trying to outrun his guilt.

Sage Harper, a twenty-something young woman escapes to the Loire Valley after the death of her mother. One night in a French café, tragic boy meets grief-stricken girl and the unexpected happens: they fall deeply, helplessly in love.

Though time and love help them mend, Kai can't seem to reconcile all that he's left behind. He fears his ghosts will forever haunt him. The prodigal son's return unveils secrets and harsh realities and no one's life is the same ever again.

Told in alternating perspectives, Kai and Sage's love story unfolds in France and deepens in the mountains of Tennessee. Fans of *Legends of the Fall* and *A River Runs Through It* will enjoy this story about the things we cannot change and what we would do for the people we love.

*Dandelion Dreams* is the first of a two book series and continues in book two, *Season of the Sun*. Coming soon.
