Dirty Divorce Tricks (and how to survive them) by Frank Reeves: A guide to emerging from a high-conflict divorce with your dignity and integrity intact. (Life Transition Guides Book 1) Frank Reeves
Aside from the long term financial implications - the legal fees - and the potential custody battles - a high-conflict divorce can permanently damage your self-esteem and rob you of your peace of mind.

In this book Frank Reeves draws on his own real-life experiences and those of many others. He honours his emotional scars (and yours). Frank (not his real name) is a trained teacher in Adult Education and draws on decades of expertise in citizens and human rights work - to help you help yourself.

Frank says: " It is possible to emerge from a high conflict divorce with your dignity and integrity intact. And in the long run - these things are what you will need to create a new and successful life - and a blended and hopefully happy family life with your community of choice - going forward. This book is not a legal guide - for that you will need to access divorce lawyers - but it may your reduce your legal fees considerably - simply by helping you reflect on entanglements before they arise - so that as far as humanly possible - conflicts (and ensuing legal fees) do not escalate."
