Making Kingdom Disciples: A New Framework Charles H. Dunahoo

Making Kingdom Disciples reorients how we think about and do discipleship. Charles Dunahoo—himself an educator and trainer of church leaders—leads us beyond programs to the kingdom worldview that transforms all of thought and life. Dunahoo's chief concern is that Christians know the Word, understand the World, and apply this knowledge. In *Making Kingdom Disciples*, Dunahoo helps readers to understand their service in God's kingdom, the differences between generations, the postmodern understanding of reality, and the Christian's life and worldview. Rather than develop a method, *Making Kingdom Disciples* presents the big picture, a new framework.
