White Wolf Children of the Crystal, 2nd Edition The Quail

White Wolf is different from those who live around him in the village of his adopted mother, the tribal medicine woman. White Wolf was born with the ability to speak to the minds of the animals, manipulate the energy of the crystals and control the elements, such as spirit, earth, wind, water and fire. Having questioned his mother and Billy Two Feathers concerning his true origins, White Wolf sets out on the dangerous journey in hope of finding answers. White Wolf starts his quest in Dead Man's Cove, the last location a stranger spoke of. Upon reaching what looks to be a deserted research facility, White Wolf discovers a tunnel that leads to a laboratory deep inside a mountain. It's called Sub Level 27. White Wolf finds himself being hunted by a secret military group hired by a scientist named Griswald. The military was ordered to capture White Wolf alive... With the help of his wolves and his mentor Billy Two Feathers, White Wolf eludes capture. Realizing White Wolf's unique paranormal abilities will prevent the soldiers from being able to capture him, Griswald creates a female clone by using DNA he has of White Wolf and sends her to his village in hopes of convincing him to return to the secret lab with her. Her deceit awakens Old Dragon who is a part of White Wolf. White Wolf's journey leads him to the Lost City of Atlantis. He returns home three years later a changed person physically, mentally, and emotionally. Having crossed many time portals, White Wolf is physically older and mentally wiser. He must now Face Moab, who's behind everything!
