Community/Public Health Nursing: Promoting the Health of Populations, 5e Mary A. Nies PhD RN FAAN FAAHB, Melanie McEwen PhD RN

Covering the nurse's role in promoting community health, **Community/Public Health Nursing, 5th Edition** is known for its "upstream" preventive focus and social justice approach, photo novellas with clinical stories, and a concise, readable style. It shows how you, as a nurse, can take an active role in social action and health policy - especially in caring for diverse population groups. Expert authors Mary A. Nies and Melanie McEwen discuss today's issues and trends, and describe the key issues and responsibilities of contemporary community/public health nursing.

- **An "upstream" focus** addresses factors that are the precursors to poor health in the community.
- **A "social justice" approach** promotes health for everyone.
- **Photo novellas** use photographs to tell stories showing real-life clinical scenarios and applications of important community health nursing roles.
- **Case Study: Application of the Nursing Process feature** presents specific community components of the nursing process separately from individual and family.
- **Clinical examples** offer snippets of real-life client situations.
- **Research Highlights boxes** show the application of current research to chapter content.
- **Ethical Insights boxes** highlight ethical issues and concerns.
- **Healthy People 2020 boxes** summarize objectives and their importance in community health.
- **Objectives, key terms, and chapter outlines** introduce important concepts and terminology at the beginning of every chapter.
- **Learning Activities** at the end of each chapter ask you to apply concepts to the world outside the classroom.

- **New Health Promotion and Risk Reduction chapter** details the promotion of health and presents strategies that can identify risk factors for illness.
- **Faith Community Nursing chapter** reflects current terminology from the ANA's Scope and Standards of Practice, and includes more coverage of the spiritual health of clients.
- **Health: A Community View chapter** expands its discussion of the continual challenges and strategies associated with the delivery of health care.
- **Communicable Disease chapter** includes new information about public health surveillance, outbreaks, and bioterrorism.
- **Cultural Diversity and Community Health Nursing chapter** features new content on complementary and alternative therapies.
