Health Education: Elementary and Middle School Applications Susan K Telljohann, Cynthia W. Symons, Beth Pateman

Health Education: Elementary and Middle School Applications is designed to give a broad introduction to the different components of the school health program. Emphasis is placed on teaching elementary health with a secondary emphasis on health science. This practical approach to teaching elementary health is particularly well suited for the elementary education major and will benefit students in health education, school nurse specialists, and community health educators.
