## **Literacy Teaching and Learning: Current Issues and Trends** Zhihui Fang

This readable volume offers a balanced, up-to-date, and authoritative treatment of major topics of current significance to literacy educators, from foundational topics such as phonological awareness and phonics, through the specifics of teaching diverse and special needs learners, to the challenges of an educational atmosphere ruled by high-stakes testing. The thirty articles gathered here were culled from eighteen different journal and book sources. They address both theoretical and practical issues in an accessible way that gets readers genuinely informed and engaged in conversation about significant topics in contemporary literacy education.
