Recasting Red Culture in Proletarian Japan

Samuel Perry

Recasting Red Culture in Proletarian Japan Samuel Perry

This book revisits an important moment of East Asia's cultural history: the proletarian cultural movement of the 1920s and 1930s. By focusing on areas long neglected by traditional scholarship on proletarian literature—children's culture, Korean minorities, and the Avant Garde—and by restoring the movement's ideological and aesthetic complexity, it seeks to revitalize the study of East Asia's revolutionary culture.
