Tales from the Cuban Empire

Antonio Jose Ponte

Tales from the Cuban Empire Antonio Jose Ponte

In the manner of fabled storytellers, Ponte creates a vivid picture of contemporary Cuba—its real and imagined place in the world—through stories told by a foreign exchange physics student, urban planners who discover an underground metropolis in their own neighborhood, a traveler stranded in an airport restroom, a suspicious stranger listening to stories spun in a barbershop, and a Chinese butcher in love with a beautiful daughter of Ochún. This inventive brew of fantasy, popular religion, science and science fiction, travel adventure, and tall tales celebrates the Cuban spirit at home and abroad.

Antonio José Ponte (born 1964 in Matanzas, Cuba) lives in Havana. He is the author of poetry, essays, novels, and stories.

From reader reviews:

Paul Otoole:

What do you think of book? It is just for students since they're still students or that for all people in the world, the actual best subject for that? Simply you can be answered for that problem above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't need do that. You must know how great and also important the book Tales from the Cuban Empire. All type of book could you see on many sources. You can look for the internet methods or other social media.

Lisa Alaniz:

Here thing why this particular Tales from the Cuban Empire are different and trustworthy to be yours. First of all reading through a book is good but it really depends in the content of the usb ports which is the content is as yummy as food or not. Tales from the Cuban Empire giving you information deeper and in different ways, you can find any reserve out there but there is no book that similar with Tales from the Cuban Empire. It gives you thrill looking at journey, its open up your personal eyes about the thing which happened in the world which is probably can be happened around you. It is possible to bring everywhere like in area, café, or even in your method home by train. In case you are having difficulties in bringing the branded book maybe the form of Tales from the Cuban Empire in e-book can be your option.

Ladonna Warren:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new information. When you read a book you will get new information because book is one of many ways to share the information or their idea. Second, looking at a book will make a person more imaginative. When you examining a book especially fictional book the author will bring you to definitely imagine the story how the personas do it anything. Third, it is possible to share your knowledge to some others. When you read this Tales from the Cuban Empire, you could tells your family, friends as well as soon about yours book. Your knowledge can inspire others, make them reading a guide.

Linda Howard:

This Tales from the Cuban Empire is great reserve for you because the content that is certainly full of information for you who have always deal with world and get to make decision every minute. This specific book reveal it info accurately using great manage word or we can point out no rambling sentences inside it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but challenging core information with lovely delivering sentences. Having Tales from the Cuban Empire in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen second right but this reserve already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt that?
