You would think Jax would be happy about this. But really? It's ruining his life. He and his family are hiding from a master hypnotist who wants Jax out of the picture . . . forever. And the FBI is also starting to ask questions about Jax and his abilities.

Jax thinks life might be getting a little better when a very rich, very powerful man asks him to help out with something. The reward will be great. And the price -- well, the price is that Jax starts taking on the man's memories. And some of them are pretty deadly.
