The Secrets Of The Shadows (The Annie Graham series, Book 2) Helen Phifer

## One little girl, one missing child. One historical mystery colliding with the future.

Sophie was afraid of the man in the shadows. He terrified her, but he would always disappear when someone else came. But one day in June 1984, she didn't escape. He took her.

When a young woman is found draped over a gravestone in a chilling murder, police officer Annie Graham experiences a familiar sense of dread. A new killer is out there, and her senses tell her there is something eerily different about this case.

When she spots the little girl standing outside her window, she knows that the past is about to catch up with all of them. But can she help right the wrongs of thirty years ago, and stop the killer before it's too late?

**Another chilling murder that Annie Graham must solve before the past destroys the future.**
