Today, no one doubts the importance of justice and the rule of law to development. Indeed, it is a topic that excites considerable discussion. But what exactly is the nature of the relationship between justice, the rule of law, and development? And how can such a relationship be harnessed to improve the lives of people around the world, sustainably? Volume 5 of *The World Bank Legal Review* tackles these crucial questions head on. The 32 chapters by distinguished scholars and practitioners offer myriad ideas on the interrelation between development and the rule of law.
