## **A Short Biography of John Wesley** J.C. Ryle

The name of John Wesley is perhaps better known than that of any of his fellow-labourers a hundred years ago. This, however, is easily accounted for. He lived to the ripe old age of eighty-eight. For sixty-five years he was continually before the eyes of the public, and doing his Master's work in every part of England. He founded a new religious denomination, remarkable to this very day for its numbers, laboriousness, and success, and justly proud of its great founder. His life has been repeatedly written by his friends and followers, his works constantly reprinted, his precepts and maxims reverentially treasured up and embalmed, like Joseph's bones. In fact, if ever a good Protestant has been practically canonized, it has been John Wesley! It would be strange indeed if his name was not well known.
