Nightshade City (Nightshade Chronicles, Book 1) Hilary Wagner

Deep beneath a modern metropolis lies the Catacombs, the kingdom of mutant rats of superior intellect. Following a bloody coup, the once peaceful democracy has become a dictatorship, ruled by decadent High Minister Kildeer and vicious Billycan, a demented former lab rat and now head of the Kill Army. Three young orphan rats--brothers Vincent and Victor and a clever female named Clover--rebel against the Ministry, joining forces with Juniper, Billycan's archenemy. Juniper and his maverick bank of followers, helped by a tribe of earthworms, plot to overthrow their oppressors and liberate the citizens to create a new city: Nightshade City. This impossible-to-put-down animal fantasy, set in a brilliantly imagined subterranean world, explores timeless themes of freedom, forgiveness, the bonds of family, and the power of love.
