The Religious Art of Andy Warhol

Jane Daggett Dillenger

The Religious Art of Andy Warhol Jane Daggett Dillenger

Two images of Andy Warhol exist in the popular press: the Pope of Pop of the Sixties, and the partying, fright-wigged Andy of the Seventies. In the two years before he died, however, Warhol made over 100 paintings, drawings, and prints based on Leonardo da Vinci's *The Last Supper*. The dramatic story of these works is told in this book for the first time. Revealed here is the part of Andy Warhol that he kept very secret: his lifelong church attendance and his personal piety. Art historian and curator Jane Daggett Dillenger explores the sources and manifestations of Warhol's spiritual side, the manifestations of which are to be found in the celebrated paintings of the last decade of Warhol's life: his Skull paintings, the prints based on Renaissance religious artwork, the Cross paintings, and the large series based on *The Last Supper*.
