Head, Heart Hands: Bringing Together Christian Thought, Passion and Action Dennis P. Hollinger

As Christians, we are to love God with all of our being--heart, mind, soul and strength. But many of us tend to overemphasize one aspect or another, and as a result, our faith becomes imbalanced. Some of us have an intellectual faith but lack compassion or spiritual discipline. Others of us have a vibrant, heartfelt relationship with God but lack commitment to truth or doctrine. And many of us overlook translating our faith into service and ministry. In this book ethicist Dennis P. Hollinger presents a holistic, integrative vision for reuniting Christian thought, passion and action. He shows how individuals, churches and movements throughout history have focused on either the head, or the heart or the hands--often to the exclusion of other expressions. But by linking our intellect, emotions and actions, Hollinger points us toward a whole faith for the whole person, where each dimension feeds, nurtures and sustains the others.
