Saga of Menyoral: Hard Luck M.A. Ray

Dingus Xavier has the worst luck ever. As if just being named "Dingus" weren't enough, he's the red-headed son of an elven mother and a human father.

He might also be a berserker -- and those are just the things he knows about.

Sir Vandis Vail has always been too busy serving his goddess to consider training a Squire, but when he comes across a lynch mob attacking a young man, he can't let it stand. In obedience to his divine Lady, he takes the boy into the Order of the Knights of the Air as a Squire. Dingus Xavier, though, is far more than he bargained for: a gifted ranger, but deeply damaged by a life of abuse. Vandis doesn't know how to begin to help Dingus face his pain, and he can't handle his own paternal instincts, either. When a rival religious order targets the Knights for extinction, it could be the straw that breaks Vandis's back.
