**Hunting the American West: The Pursuit of Big Game for Life, Profit, and Sport, 1800-1900** Richard C. Rattenbury

Experience the grandeur, excitement, and peril of the quest for big game in the West from 1800-1900 in this vivid interpretation with engaging narrative, direct quotations, and historic imagery. *Hunting the American West* is a thoroughly illustrated, narrative history of big-game hunting in the nineteenth-century American West. The engaging narrative draws extensively on the writing of original participants and observers of the subject and - along with an abundance of pictorial materials - affords unusual insight into the diverse methods and motives for hunting big game in the Old West. No other work on the subject conveys the feeling and character of the hunt in its various eras and styles, or its profound consequences, as convincingly.
