*Are you tired of being stressed out all the time? Do you want to feel better, look better, sleep better and be much happier?*

*Do you want to change but aren't sure what to do?*

Lets start with a thought experiment. Take a moment to imagine yourself, only a calm and peaceful version. Think of how you'd be at work, at home, with those you love and those you don't. Think of all the things you'd do differently.

During this 21-Day Challenge, we'll be seeking first to understand the way we stress and why, and then finding smart, intuitive ways to deal with it. We won't be trying to cultivate the kind of calm of a Zen master, that's not realistic. Instead, we'll look at the best ways to live with stress, as you are in your life, right now.
